Do not include payment or credit card information on the enrollment form. You will pay the $75 course fee directly to the university. Go to the TAMUCC Business Office to pay this fee and tell them it is for a sanction course. You will not gain credit for the course until this fee is paid to the University and you have provided proof of payment to the Office of the Associate Dean of Students in room 206 in the University Center. Failure to complete the course or pay the fee will result in a registration hold.

When you submit your information, you will receive a password immediately on the screen and by email. Login using your email address and password to begin the course. It takes less than 3 hours to complete the course and you can login and out as needed. You will receive an email in 30 days to complete the required 15-minute follow-up. You must complete this portion, as your administrator will have a record of your follow-up completion.

You and the notifying administrator at your institution will receive an email notification upon completion of the course. Print out a copy for your records.
